

Attend valuable 'Show & Share' sessions prior to the market opening each morning. For a small one-off fee of \$11 (incl. GST/pp) you are entitled to a 2-day class pass to visit as many of the sessions as you wish. The twelve sessions offer great giveaways and an opportunity to hear tips and strategies directly from the experts. The 'Show & Share' sessions are located in the main hall. Although there's sufficient seating, attendance to these sessions is on a 'first come, first served' basis; so the "early bird" gets the seat!

Ditchfield Designs are unique in Australia and probably the world! Each piece of pure wool fabric is hand-painted by me inspired by the amazing light and colours in Australia compared to my native Britain - Lorikeets in the garden, the reds and browns of the outback, the brilliance of the tropics together with the softer greys and blues of Tasmania. The wool used is high quality 21.6 micron for shirts and 19.6 micron for tops and patchwork. Listen to my story and view my beautiful works of art.
