

AUSTRALIAN Quilt Market

...in conjunction with Two Green Zebras,

proudly presents

Jennifer Sampou

Come and meet Jennifer Sampou at the 2019 AQM!

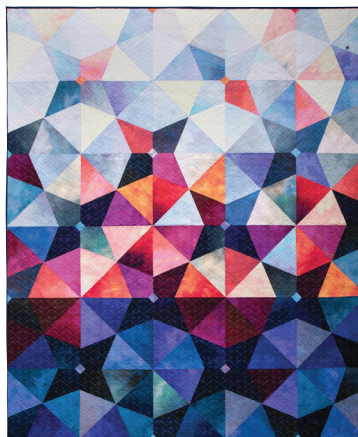

Jennifer Sampou loves Australia! As a newly hired, young fabric designer for P&B Textiles she made the trip to the Land Down Under way back in 1991 to learn about the quilters and what they wanted. She left with a full heart and discovered that COLOR and NATURE are a huge part of what Australians embrace in their craft.

Now she's COMING BACK to let you know what's been moving and shaking in her world since then and how her creative life has grown since that formative first trip here. Her presentation will cover a 30 year career as a Textile Designer, her travels around the world, and how she blossomed into a real, passionate quilter and teacher!!

Her new book, **OMBRE QUILTS** (CTPub.com) and **SKY FABRIC** Collection (RobertKaufman.com) are a celebration of her love of the skies above and how she interprets this exciting new collection in quilt making.

Jennifer will present to Show and Share pass holders on the Saturday 16th November 2019 between 5 - 6 pm in the Theatre Room at AQM. She will also be available to chat on the Two Green Zebras Booth.
